Dear Mr. Olsen:

RE: Declaration of Exemption, White Lilly #8 and #29 Claims,
DOE/055/001, Wayne County, Utah

The Division is in receipt of the Declaration of Exemption (Form MR-4) for the White Lilly #8 and #29 Claims to mine less than two (2) acres of gypsum in Section 24, Township 29 South, Range 3 East, Wayne County, Utah.

Nothing further is required at this time. However, should your client anticipate exceeding the two (2) acre, 500 ton limitation, a Notice of Intention to Commence Mining Operations and Mining and Reclamation Plan (Form MR-1) must be filed with this office at least 90 days prior to the anticipated expansion in order to process the application for the required State approval.

When time allows, someone from the Division staff will visit the area of operations. Should you or your client have any questions, please don't hesitate to call.

Sincerely,
